

3 Thumbz Up

LLC Community

Garden

“Growing Through Nature”

Project Overview

3 Thumbz Up LLC is developing a community garden designed to bring veterans, families, and local residents together through agriculture, wellness, and education. The garden will provide a space where individuals can learn to grow their own food, build community connections, and participate in therapeutic outdoor activities.

Mission

Our mission is to strengthen the community by providing a welcoming environment where people can grow food, build relationships, and improve mental and physical wellness through nature.

Startup Cost

The estimated startup cost for the initial phase of the 3 Thumbz Up Community Garden is approximately \$6,000. Funding will support raised beds, soil, fencing, greenhouse materials, irrigation supplies, signage, and community seating areas.

Sponsorship Opportunities

Platinum Sponsor – \$2,000+

- Large logo on garden entrance sign
- Recognition on all promotional materials
- Featured recognition at community events
- Dedicated garden bed named after sponsor

Gold Sponsor – \$1,000

- Medium logo displayed at garden
- Recognition on website and social media
- Sponsor name on a raised garden bed

Silver Sponsor – \$750

- Name listed on community sponsor board
- Recognition on social media

Sponsor a Cistern – \$500

Sponsors can fund a rainwater collection cistern that will be used to sustainably water the garden. Sponsors will have their name displayed on the cistern they support.

Community Supporter – \$100

Community members and small businesses can contribute to the project and will be recognized on the supporter board within the garden.

Get Involved

3 Thumbz Up LLC welcomes partnerships with local businesses, organizations, and individuals who believe in strengthening our community through nature. Together we can create a space that promotes health, education, and connection.
